**EuOTA LoA Certificate Number:
Not Applicable**

Date of Certificate: 02/05/2019

Substance: Ozone

EC No. 233-069-2 CAS No.10028-15-6

The Biocidal Products Regulation (EU) 528/2012 (BPR) came into force on 1 September 2013 repealing the Biocidal Product Directive (Directive 98/8/EC). From 1 September 2013, Ozone is regulated as an "Active Substance" under the BPR.

Following Active Substance approval under the BPR, any Company that wishes to place a biocidal product on the market which contains ozone generated in-situ within the EU or EFTA must have its product authorised in accordance with the BPR. This process first requires a dossier on the active substance or a Letter of Access to an "Active Substance" dossier from a dossier owner in respect of Ozone and thereafter a specific application for each product to be Authorised for sale and use within the EU or EFTA. Companies without such a letters of access cannot support their products for future Authorisation.

Details of the BPR can be found on the European Chemicals Agency (ECHA) website:

<https://echa.europa.eu/regulations/biocidal-products-regulation>.

Trade Mark protected. Unauthorised duplication of this certificate is not permitted.

Ozone Laundry Systems Limited t/a The OPL Group as a Full Member of EuOTA and a co- owner of The European Ozone Trade Association Limited Active Substance Dossiers for Product Types 2, 4, 5 and 11 entitled, "Ozone generated from oxygen (generated from ambient air, water or pure oxygen not supplied with the intention to generate ozone for a biocidal use)" that has been submitted to The Netherlands Competent Authority (Ctgb) (August 2016).

Once Ozone is approved only products that have an Active substance dossier or a Letter of Access to an Ozone Active Substance Dossier can continue to be placed on the European Market. This certificate confirms that Ozone Laundry Systems Limited t/a The OPL Group has access to the Active Substance dossiers for Ozone.
